Modifications to an approved grant project may not be made unless and until the grantee receives written approval from the Board and District. Modifications that alter the grant category or materially change the project must be public-noticed as required.

Provide detailed information about the requested change(s) being submitted for approval by the BMSWMD Board and the District. Include the city and county that will be receiving the funds from this Change Order. Attach another page if needed for description. If significant changes to the original grant are requested, a complete grant application may be required.

Approved Change Orders do not extend deadlines for spending. A separate Request for Time Extension must be approved by the Board and the District.

Make no changes until both the RSWMD board chairman & District Director indicate approval by signing request

Proposed Grant Project:

It is agreed that by signing this document, the RSWMD Board Chairman ensures this Change Order is in compliance with the approved Solid Waste Management Plan on file with ADEQ.

THESE CHANGES ARE HEREBY APPROVED AND BECOME A PART OF THE GRANT AGREEMENT.
